Re: 14-day Extension to respond to Public Records Act request for records described in Penal Code section 832.7

Dear Mr. Rubins:

We are writing on behalf of the District Attorney's Office of the County of San Luis Obispo to your request for records of the type generally described in California Penal Code section 832.7 (relating to peace officer personnel records). Your request was received by the DA's Office on July 5, 2019. Per Government Code section 6253, subdivision (c), the DA's Office will be taking an additional 14 days to respond to your request due to the need for consultation among two or more county departments having a subject matter interest in the information you have requested. We will be responding to your request on or before July 29, 2019.

We are also asking for clarification as to whether you are simply seeking a list of peace officers' names where a "sustained finding" has been made, or are you requesting all disciplinary records related to the sustained finding as well? Please respond via email, which will be forwarded to the undersigned for consideration of your request.

Very truly yours
